

This map of Costa Rica provides a comprehensive overview of its aviation infrastructure and topography. It features a grid of latitude and longitude lines, with coordinates ranging from 86°30'0"W to 82°0'0"W and 8°30'0"N to 11°0'0"N. The map is color-coded by elevation, with a legend in the bottom left corner indicating ranges from 0-1000 feet (lightest tan) to 13,000-14,000 feet (darkest brown). Major geographical features include the Océano Pacífico to the west and the Océano Atlántico to the east, as well as the border with Nicaragua to the north and Panama to the south. The map identifies numerous airports, categorized by type: international (indicated by a square with a circle), local (circle), heliports (circle with 'H'), ultralight vehicles (circle with 'U'), and permanently closed (circle with 'X'). Two specific airports are highlighted with callout boxes: LIB (VOR DME 115.4 MHz, 103539.06126 N, 0853246.86582 W) and TIO (VOR DME 115.7 MHz, 095001.20335 N, 0841410.17547 W). The map also shows various towns and cities, as well as the locations of the Costa Rican Air Force and the Civil Aviation Authority.
